

europe of all the people

- ahead, behind, center, down, left, middle, right, top...
in between...

who we are – people of and around ngo/s for more democracy,
more direct democracy...

- mehr-demokratie.de, founded '88
- democracy-international.org – international network
(„split off“ of mehr demokratie)

...working on issues, development of more democracy...

- participation
- sovereignty
- subsidiarity
(elements of federation)
- of all the people, in their politics,
- their institutions, economy, society
- and thus their happiness, well-being

...on more democracy in europe – incl. the institutions, instruments of

- european citizens' convention
and constitution
- european citizens' initiative
- european citizens' referendum
- ecc
- ecc+c
- eci
- ecr

looking at the possibilities, potential, processes of

european citizens' convention of 2014-2020... ecc

...and beyond...

...as a participative, ongoing process

- participation of
 - all the people and (of course)
 - all their representatives
- fair, inclusive, integrating, open
 - integrity, reliability, transparency
- binding decisions, processes, results – incl.
 - rules, laws, citizens' initiatives, citizens' referenda eci, ecr
 - and (of course) constitution ecc+c

- continuing discussion/discourse, agenda setting, development
 - by all – people, representatives
 - of all issues
- concensus, continuity, development, evolution and (of course) solidarity
 - open agendas, issues remain „in waiting“, discussion
- expertise, qualification – given, learned, to be learned, to share, to teach
 - to respect and to include
- sovereignty + subsidiarity
 - each one, all
 - people, representatives, ngo/s, groups, bodies, incl. parties*
 - communes, regions, countries, europe and int'l
